Alberta School For The Deaf

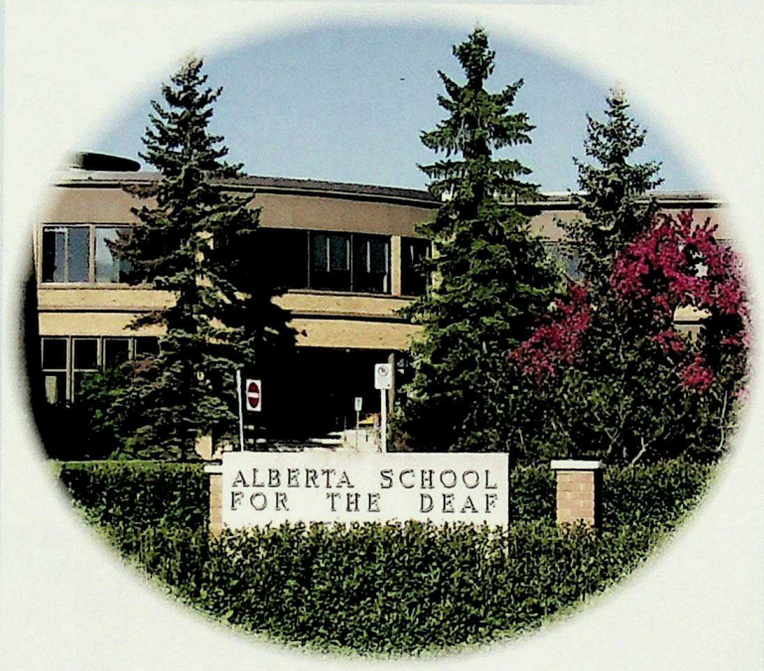
2009-2010



Congratulations to the staff and students of Alberta School for the Deaf. For 54 years, our school has proudly served members of the Deaf and Hard of Hearing community and we have just completed another year of success filled with memories that will last a lifetime. I am so very pleased to be a part of this incredibly dedicated school team and am deeply honored to be a part of our school legacy. Together with parents and community partners, we have created a truly collaborative family in support of one another. Students, be proud of your accomplishments for there are many. Parents/guardians, we thank you for your support and contributions. Community supports and associations, we could not do what we do without you.

Yours in partnership,
Sandra Mason
